If you're ready to roll up your sleeves, inspire your team, and create unforgettable moments for our members, we'd love to meet you!

Who We Are: Founded in 1908, Whitemarsh Valley Country Club isn't just a place—it's a tradition. With a buzzing community of 650 members, an 18-hole course designed by the legendary George C. Thomas, Jr., and top-notch dining facilities, we're where great memories are made. From our cozy Thomas Grille to our expansive ballroom, every part of our club is crafted to impress. And we're not just about tradition; we're about creating new stories, too.

- Running pre-shift meetings with energy, preparing the team for events with all the details they need.
- Dreaming up and executing innovative, club-wide events that wow our members.
- Maintaining a positive, coaching-oriented attitude—lifting others up and making the team stronger.

What We're Looking For:

- A proven track record in private club or high-end hospitality management.
- An upbeat, proactive approach with a passion for mentoring others.
- Flexibility for those late nights, weekends, and special holidays.
- Someone who's tech-savvy (bonus points if you know Jonas!).
- An approachable, professional demeanor that builds trust and enthusiasm.

Perks & Benefits:

- A competitive salary tailored to your experience, with a performance-based bonus.
- Professional development support: we invest in your growth.
- Health, dental, and life insurance, plus a 401k with a club match.
- Paid vacation and staff meals—because we care for our team.
